Dear Bob and Dexuan,

Our paper will appear in MBMB.
Looking forward to our next joint work.

Best,

Jinn

Poisson-Fermi Formulation of Nonlocal Electrostatics in Electrolyte Solutions

Molecular Based Mathematical Biology

Dear Prof. Liu,

I am pleased to tell you that your work has now been accepted for publication in Molecular Based Mathematical Biology.

It was accepted on Sep 26, 2017

Comments from the Editor and Reviewers can be found below.

Thank you for submitting your work to this journal.

With kind regards

Shan Zhao, Ph.D.

Journal Editor

Molecular Based Mathematical Biology

Comments from the Editors and Reviewers:

Reviewer #1: Please include any specific comments for the author concerning his/her manuscript. These comments will be sent to the author. Please use as much space as necessary. Please be as constructive as possible and include clear and specific suggestions stating which aspects of the manuscript must/should be improved, and your rationale.

My previous comments and suggestions have been addressed with some details in the revised version. It can be accepted now.

IMPORTANT NOTICE:

If you haven't submitted the final source (tex) file of your manuscript and the scan of signed License to Publish (copyright

agreement) before please attach those to your manuscript files. Alternatively, you may send them to the Editorial Office.

The template for the License to Publish is available here: http://www.degruyter.com/view/supplement/s22993266_License_to_Publish.pdf
