Dear author:

Thank you for using Science's Web submission site.

If you need to return to the site to complete or edit your submission or to change your files, you will need to have the following information:

First Author's Last Name: Eisenberg

Corresponding Author's

Email Address: beisenbe@rush.edu

Web Submission ID: 234280

Should you need to return to the site, please use the following link:

<http://www.submit2science.org/ws/valreturn.asp>

(If the above does not appear as a link, you may copy and paste it into the address or location of your browser.)

Please note, that once you have completed and uploaded your submission, you will not be able to edit it further. We will notify you if we are unable to process your manuscript files. You should receive a separate formal confirmation from Science within 48 hours (two week day) after formally completing your submission. Questions about your submission can be addressed to us at science_editors@aaas.org

Please note: you cannot use the submission WWW site to check on the status of your manuscript once it has been submitted. We correspond with authors via email.

Sincerely,

The Editors
